2. You will hear an automated message that will ask you to enter the meeting ID.
3. Enter **927 9037 4125** into your phone, followed by the hash key (#)
4. The message will then ask you to enter the meeting password.
5. Enter **1970** into your phone, followed by the hash key (#)
6. You will join the meeting and your phone line will be muted - meaning you can hear the meeting but the meeting can't hear you.
7. The meeting will begin promptly at 1600 (4pm) so you may not hear anything until that time. Please stay on the line and wait for the meeting to start.
8. At the end of the meeting, please just hang up your phone as usual.
